TILT & SPROUT - UNEARTH A GEM OF A GAME ON THE APP STORE

STRAPLINE:

Tilt your iPhone to guide an ever-growing, defenceless delicate sproutling around fatal underground dangers to break through the soil surface.

LONG DESCRIPTION:

Across 60 levels, guide a continuously growing sprout through hazardous underground labyrinths with the aim to burst through the soil surface and bloom in a radiant landscape. Levels contain double-edged speed boosting minerals. The increase in speed makes the journey more perilous but skilfully collect all the minerals and be rewarded with a unique flower and rake in mega points.

Strategy, skill and swift decision making unite in the puzzle game TILT & SPROUT.

TILT & SPROUT is Free-to-play (with an optional in-app purchase to disable adverts) and is available to download from the iTunes App Store now.

REVIEWS:

"Green-fingered iOS puzzler Tilt & Sprout has been updated with iPhone 5-compatible visuals, a new scoring system, and an overhauled in-game store." [Pocketgamer.co.uk](http://pocketgamer.co.uk)

"Tilt & Sprout is one of those games that is nice to have installed on your iPhone, when you need a few minutes to relax and forget about your stressful day." [AppAdvice.com](http://appadvice.com)

"It's fun. It's simple. The graphics are sweet, pretty and colourful. Even you, Mr-big-shot, will gurgle and coo at the happy plants, tweeting bird and celebration of mother nature in all her splendour." [Scottishgames.net](http://scottishgames.net)

CREATED AND DEVELOPED BY:

Twiddly Studio - <http://www.twiddly.co.uk>

Twiddly Studio is an emerging British, creative games studio founded in 2011 by Software Developer Andrew Noble and soon joined by graphic Artist, Andy Nicholls. The independently funded studio develops games displaying their own distinct characterised brand and style, currently for iOS devices. Twiddly Studio's first game, Tilt & Sprout was released in 2011 on the App Store followed by their sliding number puzzle, SUM IDEA in February 2015.
